In February 2018, Advertising Week Europe included TikTok in their annual list of top 10 advertising trends. In order to create the ranking they compiled the results of a survey from fourth-quarter 2017 and compared it to a similar study from 2016. The study identified three key factors that contribute to the ranking: time spent on ad content, levels of engagement, and presence of ads in other formats. TikTok ranked fourth out of the ten companies; Snapchat, Instagram and Facebook took the first three spots with TikTok ranking behind Twitter due to Snapchat's immersive advertising experience.",

The requirement is fairly simple. You can record and upload videos with various effects including stickers, emoji's and text effects, which are all very easy to use. These videos are saved on the camera roll of the Videoplayer app which is also available for both iOS and Android users.",

In October 2016, the app was ranked as the most downloaded social networking app in Thailand. In July 2017, the company launched in India. It rose to be a top 10 app in India within 10 days of launch. As of September 2018, Tiktok has 120 million users and is available in more than 20 languages and dialects. The company also claims that around 1.5 billion unique watch sessions are completed each month on Tiktok video. The app has been downloaded over 500 million times and is used by more than 120 million people every month. As of August 2018, TikTok is the most downloaded app in Africa as well as India.",

Tiktok is an app where one can share videos of their daily activities with their friends or followers. The videos are made by allowing people to upload or make their own videos. They allow the user to add music, edits and special effects by using different filters available on the editing part of tiktok. There are a variety of edits and special effects available. Tiktok also allows the user to add emojis in their video. It can be either an emoji or any face expression that is used by the user.",

Musical.ly has received favorable reviews by technology critics such as TechCrunch and "Forbes". In 2016, Musical.ly was included by "The New York Times" in their list of "Inventions We Wish Were Real", with the implication that the company might be acquired for \$1 billion by Facebook or Google.",
